Dr Brown, Mark Vincent
Faculty of Science

Dear Dr Brown,

Re: Australian Research Council/Discovery Project(**)
Application DP150102326 and Title: Mapping and Modelling the Ocean's Unseen Biodiversity

We are very pleased to congratulate you on the success of your ARC Discovery Project for funding commencing in 2015. The University will shortly sign the ARC Funding Agreement governing your award.

A copy of the Funding Agreement and ARC Funding Rules can be found at the links below. Please ensure you read both documents and understand the conditions of your award.

- [ARC Discovery Projects 2015 Funding Rules](#)
- [ARC Discovery Projects 2015 Funding Agreement](#)

We will shortly be in touch with further information regarding accepting your grant and your ARC Award letter, which contains full details about your funding and any special conditions. ARC Award Letters are expected to arrive within 5 to 7 working days. In the meantime further information on ARC projects awarded funding is available at <http://www.arc.gov.au/applicants/fundingoutcomes.htm>.

The [Grants Officer responsible for your Faculty](#) can assist and help guide you through the next steps in the process and all enquiries can be directed to them or to mygrants.gmo@unsw.edu.au.

Kind Regards,

Grants Management Office
